## **Registrar's Proposal Information**

### **RAY C. JARVIS**

#### **Proposal Information:**

Date of Decision: 2020/01/24

On January 24, 2020, the registration of Ray Jarvis was revoked. His registration was revoked following a proposal to revoke, and order to immediately suspend, his broker registration, issued on December 31, 2019, which he did not appeal. The enforcement action was a result of concerns related to shortages in the brokerage's real estate trust account, the management of the brokerage and Ray Jarvis' financial position.
