Registrar's Proposal Information

RE/MAX NORTH COUNTRY REALTY INC.

Proposal Information:

Date of Decision: 2019/12/31

On December 31, 2019, the registrations of RE/MAX North Country Realty Inc. and all registered branches were suspended, following the issuance of a proposal to revoke the registration. This enforcement action is a result of concerns related to shortages in the brokerage's real estate trust account, the management of the brokerage and its financial position.
