Registrar's Proposal Information

RE/MAX NORTH COUNTRY REALTY INC.

Proposal Information:

Date of Decision: 2020/01/24

On January 24, 2020, the registration of RE/MAX North Country Realty Inc. was revoked. The registration was revoked following a proposal to revoke, and order to immediately suspend, the brokerage registration, issued on December 31, 2019, which the brokerage did not appeal. The enforcement action was a result of concerns related to shortages in the brokerage's real estate trust account, the management of the brokerage and the financial position of the broker of record Ray Jarvis.
